

Leadership and Communication
Module 1, week 2 – Basics of Leadership

Task 1.2 – Leadership and Power

1)

Watch the video on leadership and power (a video lecture by Prof. Katrin Winkler), provided on the learning platform.

2)

Research shows, that humbleness is an important character trait of a leader. Find one example of a leader, who is (was) humble. And find one for a leader, who is (was) not humble.

- Who are (were) they?
- What exactly did they do, that made them humble / not humble?
- What were the consequences of their behavior?

3)

In your own words, how is power connected to responsibility?

You can work on all topics together as a group, or split up the tasks between your team members. The final result should be one joint Word document with max. 2 pages.
