

Task 2 (200 words): write a postcard to a friend

You have found a postcard which you find rather amusing and want to send to a British friend. **Write the text for the back of the postcard.** What you write should make transparent your reaction to the message on the card and the extent to which you think it is correct. It is a big postcard and you will be putting it into an envelope (that's why you can fit in 200 words!).
