Doing it on my own
Only takes one lover to change your vibe
Ain't that the way it go

Caught in the memory
When you touch my body and you say my name
Giving me what I need (tick tock, tick tock, tick tock)

Like you're in my bed
Every hour, give you power
I'm losing mine instead (tick tock, tick tock)

Think about you all the time
My body wants you night and day

Darling, I don't have the time
My body wants you night and day

Just in case you decided you comin' out, mmm
No time for thinking, too busy dancing and drinking

Addicted to your loving, need some more
Heard you want my body, I want yours
You already know that I already know
